MANUFACTURING SOLUTION

# NAMDO HIGHTECH

| THINKING | ACTING | SHARING |

“

Hello! I am Osub Shin, the CEO of NAMDO HIGHTECH CO.,LTD

For over 35 years, our company has specialized in producing components applied in various industries such as defense, machinery, and medical devices, driven by innovative values of thinking, action, and sharing. We supply our products to numerous domestic and international customers.

We will strive to be a business that earns recognition and trust from customers and contributes to the economic development of the nation through continuous self-development and innovation, making our best efforts.

We sincerely appreciate the warm interest and affection from all those who have been watching over our company. Thank you very much.

CEO
